

Quiz/Assignment

Date_____ Period____

Write each numeral in words.

1) 101

- A) one hundred one
- B) ten
- C) one hundred forty-one
- D) one thousand, one
- E) one hundred four

2) 606

- A) six hundred twenty-six
- B) six thousand, six
- C) six hundred nine
- D) six hundred four
- E) six hundred six

3) 695

- A) six thousand, ninety-five
- B) six hundred ninety
- C) six hundred ninety-five
- D) six hundred ninety-seven
- E) six thousand, nine hundred five

4) 183

- A) one hundred eighty-three
- B) thirteen
- C) one thousand, eight hundred three
- D) eighteen
- E) one hundred seventy-three

5) 500

- A) five hundred eighty
- B) fifty
- C) five hundred fifty
- D) five hundred thirty
- E) five hundred

6) 540

- A) five thousand, forty
- B) five hundred forty
- C) five hundred forty-two
- D) fifty-four
- E) fifty

7) 200

- A) two hundred sixty
- B) two hundred
- C) two hundred two
- D) two hundred seven
- E) two thousand

8) 905

- A) ninety-five
- B) nine hundred twenty-five
- C) nine hundred five
- D) nine hundred one
- E) nine hundred three

9) 2,210

- A) two, two hundred ten
- B) two thousand, four hundred ten
- C) two thousand, seven hundred ten
- D) two hundred ten
- E) two thousand, two hundred ten

10) 10,122

- A) ten , one hundred twenty-two
- B) ten thousand, four hundred twenty-two
- C) ten thousand, one hundred twenty-eight
- D) ten thousand, one hundred twenty-two
- E) sixteen thousand, one hundred twenty-two

11) 2,523

- A) two thousand, five hundred seventy-three
- B) twenty thousand, five hundred twenty-three
- C) two thousand, seven hundred twenty-three
- D) two thousand, five hundred twenty-three
- E) two , five hundred twenty-three

12) 80,800

- A) eighty thousand, eight hundred
- B) eighty-one thousand, eight hundred
- C) eight hundred eight thousand
- D) eighty , eight hundred
- E) eight hundred thousand, eight hundred

13) 4,805

- A) four thousand, eight hundred forty-five
- B) four thousand, eight hundred seven
- C) four thousand, eight hundred twenty-five
- D) four thousand, eight hundred five
- E) four thousand, eight hundred sixty-five

14) 200,986

- A) twenty thousand, ninety-six
- B) two hundred thousand, nine hundred eighty-six
- C) two million, nine hundred eighty-six
- D) twenty thousand, nine hundred eighty-six
- E) two hundred thousand, nine hundred forty-six

15) 470,907

- A) four hundred seventy thousand, nine hundred seven
- B) forty-seven thousand, nine hundred seven
- C) four hundred seventy thousand, nine hundred twenty-seven
- D) four hundred seventy , nine hundred seven
- E) four hundred seventy, nine hundred seven

16) 71,000

- A) seventy-one thousand, ninety
- B) seventy-one thousand
- C) seven hundred ten thousand
- D) seventy-one thousand, five
- E) seven thousand, one hundred

17) 49,641

- A) forty-nine thousand, six hundred forty-one
- B) forty thousand, six hundred forty-one
- C) forty-nine thousand, six hundred fifty-one
- D) four thousand, six hundred forty-one
- E) four hundred nine thousand, six hundred forty-one

18) 68,410

- A) sixty-eight, four hundred ten
- B) six hundred eight thousand, four hundred ten
- C) sixty-eight thousand, three hundred ten
- D) sixty-eight thousand, four hundred seventy
- E) sixty-eight thousand, four hundred ten

19) 3,302

- A) three thousand, three hundred twelve
- B) three thousand, seven hundred two
- C) three thousand, three hundred two
- D) three thousand, five hundred two
- E) three thousand, two

20) 6,082

- A) sixty thousand, eighty-two
- B) six , eighty-two
- C) six, eighty-two
- D) six thousand, sixty-two
- E) six thousand, eighty-two

21) 79,000

- A) seven hundred nine thousand
- B) seventy-seven thousand
- C) seventy-nine
- D) seven hundred ninety thousand
- E) seventy-nine thousand

22) 79,600

- A) seven thousand, nine hundred
- B) seven hundred ninety thousand, six hundred
- C) seventy-nine thousand, six hundred
- D) seven thousand, nine hundred sixty
- E) seventy-nine thousand, six hundred seven

23) 29,404

- A) twenty-nine thousand, four hundred four
- B) two hundred ninety-four thousand, four
- C) twenty-nine, four hundred four
- D) twenty-nine thousand, four hundred eight
- E) twenty-four thousand, four hundred four

24) 3,212

- A) three thousand, two hundred twelve
- B) three, two hundred twelve
- C) three thousand, two hundred fifty-two
- D) three hundred twelve
- E) three thousand, six hundred twelve

25) 581,965,010

- A) five billion, eight hundred nineteen million, sixty-five thousand, ten
- B) five hundred eighty-one, nine hundred sixty-five, ten
- C) five hundred eighty-one million, nine hundred sixty-five thousand, four hundred ten
- D) five hundred eighty-one thousand, nine hundred sixty-five, ten
- E) five hundred eighty-one million, nine hundred sixty-five thousand, ten

26) 100,112,040

- A) one hundred thirty million, one hundred twelve thousand, forty
- B) one hundred million, three hundred twelve thousand, forty
- C) one hundred ten million, one hundred twelve thousand, forty
- D) one billion, one million, one hundred twenty thousand, forty
- E) one hundred million, one hundred twelve thousand, forty

27) 1,000,167

- A) one million, one hundred sixty-seven
- B) ten million, one thousand, six hundred seven
- C) ten million, one hundred sixty-seven
- D) one, one hundred sixty-seven
- E) one million, one thousand, one hundred sixty-seven

28) 410,200,200

- A) four hundred ten thousand, two hundred, two hundred
- B) forty-one million, twenty thousand, two hundred
- C) four hundred eighteen million, two hundred thousand, two hundred
- D) four hundred ten, two hundred, two hundred
- E) four hundred ten million, two hundred thousand, two hundred

29) 2,815,600

- A) two million, eight hundred fifteen thousand, six hundred forty
- B) two thousand, eight hundred fifteen , six hundred
- C) two million, eight hundred fifteen thousand, six hundred
- D) two million, two hundred fifteen thousand, six hundred
- E) two, eight hundred fifteen, six hundred

31) 4,070,050

- A) four thousand, seventy , fifty
- B) four million, seventy thousand, fifty-two
- C) four million, seventy thousand, fifty
- D) four million, fifty
- E) four, seventy, fifty

33) 9,250,402,360

- A) nine billion, two hundred fifty million, four hundred two thousand, three hundred thirty
- B) nine billion, two hundred fifty million, four hundred two thousand, three hundred sixty
- C) nine billion, two hundred fifty million, nine hundred two thousand, three hundred sixty
- D) nine billion, two hundred fifty million, four hundred two thousand, three hundred sixty-two
- E) nine billion, two hundred fifty million, four hundred two thousand, three hundred sixty-three

30) 2,304,840

- A) two, three hundred four, eight hundred forty
- B) two million, three hundred four thousand, eight hundred eighty
- C) two million, three hundred four thousand, eight hundred forty
- D) two million, three hundred seventy-four thousand, eight hundred forty
- E) twenty-three million, four thousand, eight hundred forty

32) 1,026,789

- A) one hundred two thousand, six hundred eighty-nine
- B) one million, twenty-six thousand, seven hundred eighty-nine
- C) one million, twenty-nine thousand, seven hundred eighty-nine
- D) one million, one hundred twenty-six thousand, seven hundred eighty-nine
- E) one million, three hundred twenty-six thousand, seven hundred eighty-nine

34) 943,042,006,024

- A) nine hundred forty-three, forty-two, six, twenty-four
- B) nine hundred eighty-three billion, forty-two million, six thousand, twenty-four
- C) nine hundred forty-three billion, forty-two million, six thousand, four
- D) nine hundred forty-three billion, four hundred forty-two million, six thousand, twenty-four
- E) nine hundred forty-three billion, forty-two million, six thousand, twenty-four

35) 25,030,607,461

- A) twenty-five billion, thirty million, seven thousand, four hundred sixty-one
- B) twenty-five billion, thirty million, six hundred seven thousand, four hundred sixty-one
- C) twenty-five billion, thirty million, six hundred seven thousand, four hundred sixty-eight
- D) twenty-five, thirty, six hundred seven, four hundred sixty-one
- E) twenty-five billion, thirty million, six hundred seven thousand, four hundred sixty-seven

36) 8,500,050,680

- A) eight billion, five hundred million, fifty thousand, six hundred eighty
- B) eighty-five billion, fifty thousand, six hundred eighty
- C) eight, five hundred, fifty, six hundred eighty
- D) eight billion, five hundred million, fifty thousand, six hundred ninety
- E) eight million, five hundred thousand, fifty, six hundred eighty

37) 80,603,000,200

- A) eighty billion, six hundred seventy-three million, two hundred
- B) eight hundred six billion, thirty million, two thousand
- C) eighty billion, six hundred forty-three million, two hundred
- D) eight hundred six billion, thirty million, two hundred
- E) eighty billion, six hundred three million, two hundred

38) 910,500,001,900

- A) nine hundred ten billion, five hundred million, one thousand, nine hundred
- B) nine hundred ten, five hundred, one, nine hundred
- C) nine trillion, one hundred five billion, nineteen thousand
- D) nine hundred ten billion, five hundred million, five thousand, nine hundred
- E) nine hundred ninety billion, five hundred million, one thousand, nine hundred

39) 2,140,966,205

- A) two billion, one hundred forty million, nine hundred sixty-six thousand, seven hundred five
- B) two billion, one hundred forty million, nine hundred seventy-six thousand, two hundred five
- C) twenty-one billion, four hundred nine million, six hundred sixty-two thousand, five
- D) two hundred fourteen million, ninety-six thousand, six hundred twenty-five
- E) two billion, one hundred forty million, nine hundred sixty-six thousand, two hundred five

40) 98,600,601,235

- A) nine hundred eighty billion, six hundred million, six hundred one thousand, two hundred thirty-five
- B) ninety-eight billion, six hundred seventy million, six hundred one thousand, two hundred thirty-five
- C) ninety-eight billion, six hundred million, six hundred one thousand, two hundred thirty-five
- D) ninety-eight billion, six hundred million, six hundred one thousand, two hundred thirty-one
- E) ninety-five billion, six hundred million, six hundred one thousand, two hundred thirty-five

Quiz/Assignment

Date_____ Period____

Write each numeral in words.

1) 101

- *A) one hundred one
- B) ten
- C) one hundred forty-one
- D) one thousand, one
- E) one hundred four

2) 606

- A) six hundred twenty-six
- B) six thousand, six
- C) six hundred nine
- D) six hundred four
- *E) six hundred six

3) 695

- A) six thousand, ninety-five
- B) six hundred ninety
- *C) six hundred ninety-five
- D) six hundred ninety-seven
- E) six thousand, nine hundred five

4) 183

- *A) one hundred eighty-three
- B) thirteen
- C) one thousand, eight hundred three
- D) eighteen
- E) one hundred seventy-three

5) 500

- A) five hundred eighty
- B) fifty
- C) five hundred fifty
- D) five hundred thirty
- *E) five hundred

6) 540

- A) five thousand, forty
- *B) five hundred forty
- C) five hundred forty-two
- D) fifty-four
- E) fifty

7) 200

- A) two hundred sixty
- *B) two hundred
- C) two hundred two
- D) two hundred seven
- E) two thousand

8) 905

- A) ninety-five
- B) nine hundred twenty-five
- *C) nine hundred five
- D) nine hundred one
- E) nine hundred three

9) 2,210

- A) two, two hundred ten
- B) two thousand, four hundred ten
- C) two thousand, seven hundred ten
- D) two hundred ten
- *E) two thousand, two hundred ten

10) 10,122

- A) ten , one hundred twenty-two
- B) ten thousand, four hundred twenty-two
- C) ten thousand, one hundred twenty-eight
- *D) ten thousand, one hundred twenty-two
- E) sixteen thousand, one hundred twenty-two

11) 2,523

- A) two thousand, five hundred seventy-three
- B) twenty thousand, five hundred twenty-three
- C) two thousand, seven hundred twenty-three
- *D) two thousand, five hundred twenty-three
- E) two , five hundred twenty-three

12) 80,800

- *A) eighty thousand, eight hundred
- B) eighty-one thousand, eight hundred
- C) eight hundred eight thousand
- D) eighty , eight hundred
- E) eight hundred thousand, eight hundred

13) 4,805

- A) four thousand, eight hundred forty-five
- B) four thousand, eight hundred seven
- C) four thousand, eight hundred twenty-five
- *D) four thousand, eight hundred five
- E) four thousand, eight hundred sixty-five

14) 200,986

- A) twenty thousand, ninety-six
- *B) two hundred thousand, nine hundred eighty-six
- C) two million, nine hundred eighty-six
- D) twenty thousand, nine hundred eighty-six
- E) two hundred thousand, nine hundred forty-six

15) 470,907

- *A) four hundred seventy thousand, nine hundred seven
- B) forty-seven thousand, nine hundred seven
- C) four hundred seventy thousand, nine hundred twenty-seven
- D) four hundred seventy , nine hundred seven
- E) four hundred seventy, nine hundred seven

16) 71,000

- A) seventy-one thousand, ninety
- *B) seventy-one thousand
- C) seven hundred ten thousand
- D) seventy-one thousand, five
- E) seven thousand, one hundred

17) 49,641

- *A) forty-nine thousand, six hundred forty-one
- B) forty thousand, six hundred forty-one
- C) forty-nine thousand, six hundred fifty-one
- D) four thousand, six hundred forty-one
- E) four hundred nine thousand, six hundred forty-one

18) 68,410

- A) sixty-eight, four hundred ten
- B) six hundred eight thousand, four hundred ten
- C) sixty-eight thousand, three hundred ten
- D) sixty-eight thousand, four hundred seventy
- *E) sixty-eight thousand, four hundred ten

19) 3,302

- A) three thousand, three hundred twelve
- B) three thousand, seven hundred two
- *C) three thousand, three hundred two
- D) three thousand, five hundred two
- E) three thousand, two

20) 6,082

- A) sixty thousand, eighty-two
- B) six , eighty-two
- C) six, eighty-two
- D) six thousand, sixty-two
- *E) six thousand, eighty-two

21) 79,000

- A) seven hundred nine thousand
- B) seventy-seven thousand
- C) seventy-nine
- D) seven hundred ninety thousand
- *E) seventy-nine thousand

22) 79,600

- A) seven thousand, nine hundred
- B) seven hundred ninety thousand, six hundred
- *C) seventy-nine thousand, six hundred
- D) seven thousand, nine hundred sixty
- E) seventy-nine thousand, six hundred seven

23) 29,404

- *A) twenty-nine thousand, four hundred four
- B) two hundred ninety-four thousand, four
- C) twenty-nine, four hundred four
- D) twenty-nine thousand, four hundred eight
- E) twenty-four thousand, four hundred four

24) 3,212

- *A) three thousand, two hundred twelve
- B) three, two hundred twelve
- C) three thousand, two hundred fifty-two
- D) three hundred twelve
- E) three thousand, six hundred twelve

25) 581,965,010

- A) five billion, eight hundred nineteen million, sixty-five thousand, ten
- B) five hundred eighty-one, nine hundred sixty-five, ten
- C) five hundred eighty-one million, nine hundred sixty-five thousand, four hundred ten
- D) five hundred eighty-one thousand, nine hundred sixty-five, ten
- *E) five hundred eighty-one million, nine hundred sixty-five thousand, ten

26) 100,112,040

- A) one hundred thirty million, one hundred twelve thousand, forty
- B) one hundred million, three hundred twelve thousand, forty
- C) one hundred ten million, one hundred twelve thousand, forty
- D) one billion, one million, one hundred twenty thousand, forty
- *E) one hundred million, one hundred twelve thousand, forty

27) 1,000,167

- *A) one million, one hundred sixty-seven
- B) ten million, one thousand, six hundred seven
- C) ten million, one hundred sixty-seven
- D) one, one hundred sixty-seven
- E) one million, one thousand, one hundred sixty-seven

28) 410,200,200

- A) four hundred ten thousand, two hundred, two hundred
- B) forty-one million, twenty thousand, two hundred
- C) four hundred eighteen million, two hundred thousand, two hundred
- D) four hundred ten, two hundred, two hundred
- *E) four hundred ten million, two hundred thousand, two hundred

29) 2,815,600

- A) two million, eight hundred fifteen thousand, six hundred forty
- B) two thousand, eight hundred fifteen , six hundred
- *C) two million, eight hundred fifteen thousand, six hundred
- D) two million, two hundred fifteen thousand, six hundred
- E) two, eight hundred fifteen, six hundred

31) 4,070,050

- A) four thousand, seventy , fifty
- B) four million, seventy thousand, fifty-two
- *C) four million, seventy thousand, fifty
- D) four million, fifty
- E) four, seventy, fifty

33) 9,250,402,360

- A) nine billion, two hundred fifty million, four hundred two thousand, three hundred thirty
- *B) nine billion, two hundred fifty million, four hundred two thousand, three hundred sixty
- C) nine billion, two hundred fifty million, nine hundred two thousand, three hundred sixty
- D) nine billion, two hundred fifty million, four hundred two thousand, three hundred sixty-two
- E) nine billion, two hundred fifty million, four hundred two thousand, three hundred sixty-three

30) 2,304,840

- A) two, three hundred four, eight hundred forty
- B) two million, three hundred four thousand, eight hundred eighty
- *C) two million, three hundred four thousand, eight hundred forty
- D) two million, three hundred seventy-four thousand, eight hundred forty
- E) twenty-three million, four thousand, eight hundred forty

32) 1,026,789

- A) one hundred two thousand, six hundred eighty-nine
- *B) one million, twenty-six thousand, seven hundred eighty-nine
- C) one million, twenty-nine thousand, seven hundred eighty-nine
- D) one million, one hundred twenty-six thousand, seven hundred eighty-nine
- E) one million, three hundred twenty-six thousand, seven hundred eighty-nine

34) 943,042,006,024

- A) nine hundred forty-three, forty-two, six, twenty-four
- B) nine hundred eighty-three billion, forty-two million, six thousand, twenty-four
- C) nine hundred forty-three billion, forty-two million, six thousand, four
- D) nine hundred forty-three billion, four hundred forty-two million, six thousand, twenty-four
- *E) nine hundred forty-three billion, forty-two million, six thousand, twenty-four

35) 25,030,607,461

- A) twenty-five billion, thirty million, seven thousand, four hundred sixty-one
- *B) twenty-five billion, thirty million, six hundred seven thousand, four hundred sixty-one
- C) twenty-five billion, thirty million, six hundred seven thousand, four hundred sixty-eight
- D) twenty-five, thirty, six hundred seven, four hundred sixty-one
- E) twenty-five billion, thirty million, six hundred seven thousand, four hundred sixty-seven

36) 8,500,050,680

- *A) eight billion, five hundred million, fifty thousand, six hundred eighty
- B) eighty-five billion, fifty thousand, six hundred eighty
- C) eight, five hundred, fifty, six hundred eighty
- D) eight billion, five hundred million, fifty thousand, six hundred ninety
- E) eight million, five hundred thousand, fifty, six hundred eighty

37) 80,603,000,200

- A) eighty billion, six hundred seventy-three million, two hundred
- B) eight hundred six billion, thirty million, two thousand
- C) eighty billion, six hundred forty-three million, two hundred
- D) eight hundred six billion, thirty million, two hundred
- *E) eighty billion, six hundred three million, two hundred

38) 910,500,001,900

- *A) nine hundred ten billion, five hundred million, one thousand, nine hundred
- B) nine hundred ten, five hundred, one, nine hundred
- C) nine trillion, one hundred five billion, nineteen thousand
- D) nine hundred ten billion, five hundred million, five thousand, nine hundred
- E) nine hundred ninety billion, five hundred million, one thousand, nine hundred

39) 2,140,966,205

- A) two billion, one hundred forty million, nine hundred sixty-six thousand, seven hundred five
- B) two billion, one hundred forty million, nine hundred seventy-six thousand, two hundred five
- C) twenty-one billion, four hundred nine million, six hundred sixty-two thousand, five
- D) two hundred fourteen million, ninety-six thousand, six hundred twenty-five
- *E) two billion, one hundred forty million, nine hundred sixty-six thousand, two hundred five

40) 98,600,601,235

- A) nine hundred eighty billion, six hundred million, six hundred one thousand, two hundred thirty-five
- B) ninety-eight billion, six hundred seventy million, six hundred one thousand, two hundred thirty-five
- *C) ninety-eight billion, six hundred million, six hundred one thousand, two hundred thirty-five
- D) ninety-eight billion, six hundred million, six hundred one thousand, two hundred thirty-one
- E) ninety-five billion, six hundred million, six hundred one thousand, two hundred thirty-five
